

# Twin Centre Summer Development Camp

Hello Parents and Players,

We had a good time last year running our summer camp, and we are looking to go again for round two with our **PEEWEE and BANTAM** players registered with TCMHA.

What we are looking for right now is the number of players interested so we can move forward with the planning process.

The structure will be very similar, an hour session split in half, one doing dryland, the other working on hockey specific skills.

We've also had a few requests to do something earlier in the summer as well. We have met to decide on what we think would be best, and what we're comfortable taking on.

We have come up with two options for the duration/layout of the camp, and we'd like to know what people would prefer. A final decision will be made in the coming weeks.

Option 1: The first option will be the same as last year. Monday, Wednesday and Friday for 4 weeks in August (A total of 12 sessions)

Option 2: The second option we came up with will again take place on Monday, Wednesday and Friday, however we are going to offer 3 weeks in June (9 sessions) and 2 weeks in August (6 sessions) for a total of 15 sessions. Additionally with this option we would give the players exercises and drills to do during the period in between.

**We have set a date of Friday, May 6, to have a good idea for numbers, and to let the township know which days we'll be booking.**

Once we have this booked, we will send out the registration email, with the form, cost, and registration dates and any other information.

**Cost estimate** for option 1: \$45

**Cost estimate** for option 2: \$55

Please keep in mind these are estimates and may change.

Please pass this on to those who may be interested in joining.

Please respond to [Brandon.bisch@gmail.com](mailto:Brandon.bisch@gmail.com) or [drosecoach@gmail.com](mailto:drosecoach@gmail.com) by Friday May 6. Hope to see you all in the summer!

Thanks, Brandon and Darren
