Shootout Regulations:

- 1) Each coach will designate 5 players by using a "*" next to the players name on the game sheet. This MUST be done before the game. Players that are still serving a misconduct (10 minute) penalty at the expiration of the overtime shall not be permitted to be a shooter. In such circumstances, if the player in question was marked with "*" prior to a game, a substitution shall be allowed.
 - 2) One player from each team will start at centre ice and at the SAME time attempt to score.
 - 3) After the fifth and final player has shot, the winning team will be determined by the most goals scored.
 - 4) Should a tie still exist, one new eligible shooter from each team shall be chosen and sudden death (on a one for one basis) shall apply until a winner is declared.
EXAMPLE: If Team A scores but Team B does not then Team A shall be declared the winner. However if both teams score then another round of shooters will take place until a winner is determined. A new player will be chosen each time until all players have shot. Then each team may choose a player to shoot a second time.
 - 5) The winning teams score will be reflected by one additional goal.
12. Players who receive any 3 minor penalties in one game shall be ejected for the remainder of that game. Players may be ejected from the tournament if assessed ANY major penalties, game misconducts, gross misconducts, or match penalties.  13. Abusive behaviour by any player, team official or fan will not be tolerated and will result in the guilty person/persons being expelled from the tournament.
 14. In the event of a dispute, the decision of the Tournament Convenor shall be final.
 15. Mercy rule; if a team is ahead by 5 or more goals in the third period, straight time will begin until the gap is reduced to less than 5 goals, then the clock will revert back to stop time. The only time the clock would be stopped is if an on-ice injury should occur.
